**Cherry Hill Fire Department Introduces a New Service**

The Cherry Hill Fire Marshal's Office is pleased to announce updated web capabilities in order to improve services available to realtors serving the Township of Cherry Hill. **Requests for smoke and carbon monoxide detector inspections and inspection requirements are now available online.**

**To request an inspection or view requirements, please visit our website at [www.cherryhillfire.org](http://www.cherryhillfire.org)** On the upper right hand side of the homepage, you will see a photo of a home with text that asks, "Selling a home? Need an inspection? *Click Here*" Follow the links to the inspection request form or for information.

**The direct link for the inspection request is: [www.cherryhillfire.org/sdinspections.asp](http://www.cherryhillfire.org/sdinspections.asp)**

*In an effort to provide the most efficient service, we encourage use of the online request.*
